#### Product information

An outerwear staple for almost any work environment, this bomber jacket is designed to provide lightweight warmth with trustworthy safety features. Rugged and comfortable, this jacket's superior heat retention and sleek utility style make it cold weather ready. Generously insulated, the front storm flap and elasticated waist prevent the cold from seeping in.

#### Bizflame™ Work

BizFlame™ Work has been developed and designed using the highly innovative Bizflame™ Work flame resistant fabric with added anti-static properties. Certified to a range of international standards. Triple stitching and brass zips throughout for extra strength and durability.

#### Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
